The Elms Surgery

Welcome to our quarterly newsletter.
What's new?

Dr S Azad has joined our team over winter. She will be holding clinics on some Monday and Friday mornings.

The surgery site will be moving to 38 The Avenue, adjacent to the current building. We hope to complete building works by the end of June 2018.

**Please always
make sure we have
your up-to-date
contact details.**

Holiday season

Complete the travel form online. Book an appointment with our Practice Nurse for travel vaccines at least 6-8 weeks in advance of travelling.

We hope we have been able to provide you with the care you needed. If so we would appreciate some feedback about our healthcare service. Please fill out a family and friends test leaflet in the surgery or leave a review on the NHS Choices website.
